2024 | ABU DHABI: FORMULA 1

4-9 DECEMBER 2024

The hotel is a historical icon from the 20th century, which was inaugurated by the Father of the Nation, Sheikh Zayed, and Her Majesty, the Queen Elizabeth in 1979.

Our journey from Dubai to the Yas Marina Racing Circuit will take approximately 90 minutes by coach, so sit back, relax, and take in the scenery. It's the perfect opportunity to place some friendly bets on who will secure which position on the grid!

At the raceway, we'll be seated at the south main pavilion, positioned at the southern oasis overlooking the Marina. This vantage point offers one of the most breathtaking views in Formula 1, with drivers navigating the newly adapted turn 9 at exhilarating speeds. The 18-meter hairpin turns provide heart-stopping moments as the world's fastest competitors go head-to-head before disappearing into the distance as they navigate this strategic section of the course.

After the qualifying rounds and the final grid positions are determined, it's time to enjoy the musical spectacle of the Abu Dhabi Grand Prix concerts.

In the past, iconic artists, and DJs such as Beyonce, Smokey, Shania Twain and Eminem have performed at this prestigious event. Get ready for unforgettable performances by famous artists in an evening filled with top-notch entertainment.

Your F1 ticket grants you access to all the entertainment areas, including the F1 recreational town and the concerts held after the races each day. Keep the adrenaline flowing as you dance your way into the night, soaking in the electric atmosphere.

If you are feeling a bit worn out, and need to charge your batteries for tomorrow, there is an option for an early return transfer to the hotel. After all, tomorrow is the big day, with more action on the track, and entertainment awaiting after the main race.
