A glimpse into my journey

Gerrie Pretorius

*Music was my first love
but travel is my passion.*

To understand the meaning behind “Leef Jou Reis,” one must discover, take detours, and embrace the alternative routes or the roads less travelled. To eat and mingle with the local people and truly comprehend their culture, we have this special opportunity to become authentic travellers, rather than mere tourists visiting a country.

Growing up in the small town of Mossel Bay, I have had the privilege of setting foot on 7 continents and explored over 85 countries. With all this experience and passion for travel, we would like to extend a warm invitation to you to join our global travel family.

We are the “cool kids” of travel and we do it in style...

Welcome to Leef Jou Reis
